

MISSOURI DEPARTMENT OF TRANSPORTATION JOB OPPORTUNITY ANNOUNCEMENT

Date Posted: 05/20/2010
Application Deadline: 06/04/2010
Job Post ID: 3670
Job Title: Maintenance Worker ("Night Shift") / Intermediate Maintenance Worker ("Night Shift") / Senior Maintenance Worker ("Night Shift")
Min Monthly Salary: \$2,271.00 / \$2,395.00 / \$2,570.00
Number Positions: 1
Location: 4th and Cherry Maintenance Facility (Kansas City, Missouri)
District/Division: District 4 / Maintenance Division
Human Resources Contact Number: 816-622-0311

Notice: This position will require working the night shift. One vacancy, to be filled at any of the three career ladder levels commensurate with qualifications. No experience is required at the entry level. See commercial driver's license requirements on minimum required qualifications. MoDOT values diversity and inclusion; all qualified applicants are welcome.

General Summary:

--- Maintenance Worker ("Night Shift") ---

The maintenance worker performs routine, entry-level duties related to the maintenance of the state's roadways and facilities. Responsibilities are performed under direct supervision.

--- Intermediate Maintenance Worker ("Night Shift") ---

The intermediate maintenance worker performs semi-skilled duties related to the maintenance of the state's roadways and facilities. Responsibilities are performed under moderate supervision.

--- Senior Maintenance Worker ("Night Shift") ---

The senior maintenance worker performs skilled duties related to the maintenance of the state's roadways and facilities. Responsibilities are performed under moderate supervision.

Minimum/Required Qualifications:

--- Maintenance Worker ("Night Shift") ---

High School Diploma or GED

Valid Driver's License

A passing grade on the written portion of the commercial driver's license (CDL) exam is required prior to hire date. Must pass the driving portion of the CDL exam with tanker endorsement and no air brake restrictions (Class B) within 60 days after being hired into this position.

--- Intermediate Maintenance Worker ("Night Shift") ---

High School Diploma or GED

Valid Class A Commercial Driver's License with tanker endorsement and no air brake restriction

Two years of experience performing roadway, roadside, bridge, or sign maintenance or pavement marking responsibilities as described in the following examples of work.

--- Senior Maintenance Worker ("Night Shift") ---

High School Diploma or GED

Valid Class A Commercial Driver's License with tanker endorsement and no air brake restriction

Four years of experience performing roadway, roadside, bridge, or sign maintenance or pavement marking responsibilities as described in the following examples of work, of which two years must be at the intermediate maintenance worker level.

Supervisory Responsibilities:

--- Maintenance Worker ("Night Shift") ---

None

--- Intermediate Maintenance Worker ("Night Shift") ---

None

--- Senior Maintenance Worker ("Night Shift") ---

None

Special Working Conditions/Job Characteristics:

--- Maintenance Worker ("Night Shift") ---

Job requires significant physical stamina and endurance, including the ability to move materials by hand, operate hand tools, and perform stationary flagging.

Job requires outdoor work that involves exposure to physical hazards, health and safety risks, and/or adverse or otherwise undesirable characteristics in the environment, including risk of physical injury from carrying out duties in heavy traffic areas, on or near heavy equipment or machinery, and with hazardous chemicals or materials.

Job may require overtime and nighttime work.

--- Intermediate Maintenance Worker ("Night Shift") ---

Job requires significant physical stamina and endurance, including the ability to move materials by hand, operate hand tools, and perform stationary flagging.

Job requires outdoor work that involves exposure to physical hazards, health and safety risks, and/or adverse or otherwise undesirable characteristics in the environment, including risk of physical injury from carrying out duties in heavy traffic areas, on or near heavy equipment or machinery, and with hazardous chemicals or materials.

Job may require overtime and nighttime work.

--- Senior Maintenance Worker ("Night Shift") ---

Job requires significant physical stamina and endurance, including the ability to move materials by hand, operate hand tools, and perform stationary flagging.

Job may require overtime and nighttime work.

Examples of Work:

--- Maintenance Worker ("Night Shift") ---

- Maintains state highway systems, including filling roadway joints and cracks and patching potholes; flagging and directing traffic; setting up signs, cones, arrow boards, and other traffic control devices; loading, unloading, spreading, and hauling materials and supplies; cutting and clearing brush; removing trash and debris from roadsides; cleaning and clearing ditches.
- Maintains, cleans, and repairs state highway facilities, including repairing and replacing road signs and guardrails; cleaning curbs and gutters; painting buildings and equipment; and servicing equipment and machinery.
- Operates vehicles to transport employees, equipment, machinery and/or materials, or to warn oncoming traffic, plow snow and spread ice control materials; mows right of way using tractor mower and hand tools; operates auger, trencher, backhoe, forklift, and various trucks (e.g., dump, aerial boom, bucket, and platform).
- May repair bridge decks (full and partial) and drains, and clean bridge bents/caps at heights on ladders or utilizing scaffolding.

- May install signs, including structural and large signs at overhead positions, inspect truss signs, pour concrete sign footings, weld and cut steel sign posts, and repair and maintain break away and/or overlay signs.
- May stripe roadways, install or remove pavement markings, and clean striping equipment; may operate rollers (glue and tamper), propane torches, shot/turbo blaster, walk behind grinder and other hand tools.
- May perform pavement leveling, sand blasting and mud jacking, as well as concrete mixing, finishing, and replacement; uses various saws (concrete, diamond, wheel), jack hammers, and other pieces of heavy equipment.
- May perform roadside duties, including mowing and spraying; planting grass seed, trees, flowers, or shrubbery; pruning and removal of trees; operating tree transplanter, chipping brush and removing debris.
- May perform signal and lighting duties, including repairing roadway lighting; trenching for conduit installations; installing and maintaining radio equipment; and assisting in installation, repair, and maintenance of camera, message boards, roadway detection devices, and signal masts, arms, heads, and poles.
- Cleans and performs routine maintenance on vehicles, equipment, buildings and grounds.
- Performs other responsibilities as required or assigned.

--- Intermediate Maintenance Worker ("Night Shift") ---

- Operates vehicles to transport employees, equipment, machinery and/or materials, or to warn oncoming traffic, plow snow and spread ice control materials; mows right of way using tractor mower and hand tools; operates auger, trencher, backhoe, forklift, loader and various trucks (e.g., dump, aerial boom, bucket, and platform).
- Maintains state highway systems, including filling roadway joints and cracks and patching potholes; flagging and directing traffic; setting up signs, cones, arrow boards, and other traffic control devices; loading, unloading, spreading, and hauling materials and supplies; cutting and clearing brush; removing trash and debris from roadsides; cleaning and clearing ditches.
